Dear Nicola Rudko,

I am pleased to inform you that your company has been registered with CHAS as a result of our deem to satisfy arrangement with OHSAS 18001 (SSIP member) that negates the need for you to be CHAS assessed.

The CHAS accreditation will be valid from 31st January 2014 which as your last assessment date with OHSAS 18001. As you have requested to register using your deem to satisfy on or after the 01st October 2012 your CHAS accreditation certificate is part of this service and will be issued automatically. Please allow up to 10 working days to receive your accreditation pack.

Please note accreditation is only valid for a period of 12 months from your last assessment date. This will require a commitment to an annual assessment through either OHSAS 18001 or any other SSIP member.

Yours sincerely,

Suzie Walker
